Greetings,

I would like to wish everyone a Happy New Year. It has been a great start here at LSE. The bathroom upgrades are in full swing and the renovations in the lunch room look great! In the September newsletter I said we would publish the "Core Values" we all developed as a team. I am pleased and proud of the results of everyone's effort.

LSE Core Values

**Client First , Mutual Respect, Quality Driven, Reliability, Compassion & Caring Ethical**

These "Core Values" will hopefully act as a reminder of our Mission and keep us focused on a daily basis. Please take note of these values, posted in the lobby as we begin our work each day.

Have Fun! Be Safe!

Jack

**How May We Help You?**

*A message from Dan Robinette,  
Director of Business Development*

LSE would like to recognize “The Magi Fund” for their continued partnership especially during the holidays. Each year our clients prepare the Magi’s mail out to notify the public about the annual “Magi Fund Choral Festival”. What makes this event so special is the opportunity for our clients to attend the Sunday afternoon performance. This year 15 clients were able to attend, and the excitement was evident throughout the auditorium, as they heard the most amazing Christmas songs. The proceeds from this event go to the Christian Shelter and the Joseph House. We want to recognize Bonnie Luna (Chairperson) for this year’s event and our clients would like to thank her for the Magi Fund T-Shirts which they proudly wore to the Festival.

LSE would also like to recognize the Bank of Delmarva for their continued partnership and support to our clients. They contacted us during the holidays to assemble a special gift that will be sent to their customers. Our clients were excited to work on this project because of the Holiday theme and the colorful ribbons. This job consisted of a memo cube and pen gift tucked inside a square of tulle, fluffed up, and tied with a colorful ribbon. Each gift had a special card, with a group picture, from our clients. We completed 275 gifts that can be given during any holiday or special occasion. The clients and staff of LSE would like to thank Staci Niblett (Marketing Director) for this work opportunity and we look forward to working on other projects in the future.
